Infographic Redesign of U.S. Embassy Nairobi's Consular Section

VIRTUAL STUDENT FEDERAL SERVICE

V S F S

Project Title	Infographic Redesign of U.S. Embassy Nairobi's Consular Section
Project Summary	Virtual students will be given the utilities to redesign an outdated waiting room in the Consular Section. The information is often overlooked by visa applicants and Consular Affairs hopes to change that.
Country	Kenya

Project Description

One virtual student with infographic design experience will have a chance to work directly with the U.S. Embassy Nairobi's nonimmigrant visa chief. The student will redesign the information provided for applicants and promote diplomacy in the process. The visa process is often overwhelming for applicants and hopefully a redesign of this information will assist them.
